

e is a company that helps seniors downsize and move to a new location. Here is a link to their facebook page to learn more: <https://www.facebook.com/machumovemanagers/>

They like a very clean design

Want a banner image (older couple? Old people moving? -- look on pexels and unsplash)

A couple websites we like which happen to be Senior Move Managers are listed below:

www.smartmovesforseniors.com

www.seniorsonthemovelv.com

www.thedownsizers.com

www.beautifullifesrs.com

Looking to add another color to their site in addition to blue & white

Navigation Pages:

- Home
- About
- Services
 - Plan, Pack, Unpack, Settle
- Contact

On the home page, they would like to include: tv Banner image

- 4-step process (Plan, Pack, Unpack, Settle)
- Testimonials

*feel free to add other sections that would be fitting for her company

Some example text to maybe use on the homepage if you'd like:
