A lot of photos available at: https://www.facebook.com/QCGeneral/photos that you can use for the designs.

Copy of logo in the folder

Responsive – design at 1800 pixels wide

- Already have their own domain (Server Grove) www.qcgeneral.com
- 5 page website
- Will provide logo and photos (on Facebook mostly)
- Will decide if keeping email qcgeneral@gmail.com or general@qcgeneral.com
- Navigation tab – Home, About, Residential, Services, Commercial, Contact
- **Search/tag words – roofing, siding, windows, gutters, new construction, electrical, plumbing, concrete, basically all home improvement words**
- Also add in 14 years in business, open since 2005, & A+ rating on BBB (Use BBB Badge?)
